Date: March 18, 2004

****REVISED****

**UPDATE TO LANE CLOSURES ON I-215
WORK ON THURSDAY NIGHT**

RIVERSIDE – The California Department of Transportation (Caltrans) will continue work on improvements to the 60-91-215 Interchange and Interstate 215 on **Thursday, March 18**.

Lane restrictions will be in effect during the night as the contractor prepares for construction, and may create delays. The closures are necessary to do striping work at this location, in preparation for freeway widening and bridge reconstruction work planned. In addition, shoulders will be narrowed at various points between Blaine and University in both directions.

The following closure is planned for the week of March 15:

- On northbound I-215 from Canyon Crest to Blaine, traffic will be restricted to two lanes from 9 p.m. to 5 a.m., Thursday, March 18.
- On southbound I-215 from west of Blaine to University, traffic will be restricted to two lanes from 9 p.m. to 5 a.m., Thursday, March 18.

Long term closure of the carpool lane on I-215 between Blaine and University in both directions will be in effect for approximately 15 months.
